

Regina B. Holderness

I grew up in Birmingham, Alabama. After graduating from the University of Alabama I moved to Atlanta, Georgia where I was a school librarian. I married Sidney Holderness in 1975 and we became members of Peachtree Presbyterian Church. Peachtree was very much a part of family life for us and our two daughters. I was very involved in the Children's Sunday School program as a teacher and later as an administrator. I served on the Education Committee for many years and worked closely with the Session and ministers. I also was on the Library Committee selecting and buying books. In 2016 we moved to Ponte Vedra Beach, FL. We joined Christ Episcopal Church in 2017. We loved the casual setting at Christ Church and enjoyed our involvement with our new members group.

By 2017 both our daughters were living in Savannah. We made a joint decision to relocate to Savannah. We moved our membership to St. Peters in 2019 and were received into the Episcopal Church on September, 2019. It has been a wonderful decision!

My involvement at St. Peters began with the Flower Guild. It is a joyful way to serve the church and others and hits on just about every aspect of church life. In 2021 I was asked to be co chairman of the Flower Guild.. 2021 has been a very active year! I'm currently a member of IWC: Invite Welcome Connect, a ministry designed to help Episcopalians engage in the deep work of evangelism. The Market is another area of commitment. I started as a day volunteer, then Chairman of Decorations for the Cafe and this year I've added being a member of the Plant Committee.

I look forward to many more years of commitment to St. Peters and being a part of the growth and renewal of our congregation. It is one of my most favorite spots on Skidaway!

Nominee's Signature Regina B. Holderness

Has Nominee previously served on a Vestry, and if so in what capacity, where, and when?

NO

Number of years Nominee has been active in the life of St. Peter's 3 years

Summarize Nominee's work in St. Peter's and other parishes:

My work began at St. Peter's when I joined the Flower Guild in 2019. I was asked to be co-chairman of the Guild in 2021. To date 2022 has been a very active year! I'm currently a member of IWC, Invite Welcome Connect. I've worked on the Market for the past 3 years as shift volunteer, chairman of Decorations, Cafe and Publicity for the Plant Committee. In Atlanta at Peachtree Presbyterian worked on Sunday School and Education committees and also Library

List talents and experience Nominee can bring to the Vestry including leadership, educational, pastoral care, outreach, business, legal, administrative, organizational, fund raising, artistic, etc.

Majority of experience comes from my life in Atlanta. I served on the Board of Directors for the Atlanta Speech and was Secretary for 4 years. I was an active member and Board member of Eggleston Children's Hospital (now CHOA) I was chairman of the Hospital Gift Shop for 5 years. As a member of many community organizations I gained organizational skills and problem solving. I believe one of my strengths is being able to see the big picture and coming up with solutions. I also had a small antique business with a partner and I am a painter. Love to donate paintings for fundraising - CURE OSSABAW Foundation Christ Church Preschool Savannah.
