I moved to Savannah in 1997 to pursue a Masters in Interior Design at SCAD. I grew up in the Baptist Church and as an adult became a Methodist. When I met Steve in 2003, I was attending Isle of Hope United Methodist where I had been a Sunday School teacher, confirmation mentor and vacation Bible school teacher. We, as a couple attended both Methodist and Episcopal services. Steve was a cradle Episcopalian. In 2005, we were married and I was confirmed at St Thomas Episcopal Church in Isle of Hope. Around 2006, we began visiting St Peter's and soon joined. Our youngest daughter was very drawn to the youth program, and we became involved with youth ministries. Steve and I taught Rite 13 for several years and hosted youth activities at our home and farm. I have completed and taught Education for Ministry. I have served as co-chair for the race, St Peter's Kilometers and been chair of the Flower Guild.

I currently enjoy serving on the Market committee, participating on the flower guild and helping with children's church. I look forward to the opportunity to serve on the vestry and contribute further to St Peter's.
