

Babs Lutton

Barbara (Babs) Lutton joined the Episcopal Church when she married Tom Lutton in 1994 in Christ Episcopal Church, Ponte Vedra, Fl. Tom and Babs enthusiastically participated in Cursillo, Discovery and Education for Ministry. We served in Christ Church as Lems and in St. Francis in the Field as Eucharistic Ministers to Glenmoor Retirement Home. In 1999, we became Appointed Episcopal Missionaries to Kenya, working for the Anglican Church. There, we built two churches and served the Anglican Church in outlying areas. Returning in 2003, we moved to Clarksville, VA and I was Senior Warden on their vestry. Returning to St. Augustine, FL in 2005, I was on the vestry of Trinity Episcopal serving as outreach coordinator. Three years later, we became members of St. Cyprian's Episcopal Church in Lincolnville, St. Augustine. There I was on the Compassionate St. Augustine committee seeking justice and equality for the underprivileged.

I have lived in The Landings since June 2020 and we joined St. Peter's immediately and found it a warm, welcoming and very convenient church. Tom died in September 2021 and I am sure he would want me to continue the work we find so essential in the Episcopal community.

I am honored that you have invited me to join you in working for Christ and look forward to serving to the best of my ability.
