

Parish Administrator Judy Naylor-Johnson is originally from Northern Virginia and Western North Carolina. She has lived nearly all her adult life in Savannah, where she graduated from Savannah College of Art and Design. Judy and her husband are parents to 2 young adults. Their home base is a historic craftsman bungalow that they have lovingly restored over the years. When not at work, Judy can be found running long distances, cooking healthy food, traveling every chance she gets, and enjoying family. Judy is a member of St. Paul's Episcopal Church where she participates in the flower guild and is a former vestry member.

Judy comes to St. Peter's from 7+ years as parish administrator at St. Michael and All Angels Episcopal Church. Her past work experience includes directing art galleries, visual merchandising, retail buying and management, teaching preschool, extensive volunteer work and community involvement. She is looking forward to getting to know and supporting the staff, congregation, ministries and mission of St. Peter's.
